Education

DY Patil International University, Pune, Maharashtra　　　　*Aug 2021 – Jul 2025*
Bachelor of Technology (B.Tech) in Computer Science (AI & ML)　　CGPA: 7.0 / 10

Technical Skills

- Programming	C, C++, Python, JavaScript, PHP, SQL
- Web Development	Flask, HTML5, CSS, REST APIs, Chatbot Integration
- AI & ML	Scikit-Learn, PyTorch, XGBoost, NLP, Prompt Engineering
- Data Visualization	Pandas, NumPy, Matplotlib, Seaborn, Plotly, Streamlit
- Tools & APIs	Git, Jupyter, VS Code, OpenAI, Hugging Face, Google APIs
- Cloud & Database	MySQL, Firebase, GCP, AWS, IoT (Basic)

Experience

Cloud Micro Solutions, Pune, India　　　　　　　　　　*May 2023 – Aug 2023*
(Web Development & Marketing Intern)

- Developed and deployed 3 full-stack web apps (Flask, HTML, CSS, JS, REST APIs), improving load speed by 15%.
- Conducted testing and performance analysis to enhance user engagement and backend efficiency.
- Applied data-driven marketing/SEO strategies, boosting visibility by 20% and lead generation by 10%.

Projects

Robo-Advisory Investment System (Nifty 50) *(Academic)* **Link**　　*Feb 2025 – Jun 2025*

- Built full-stack AI web app (Flask, XGBoost, SVM) predicting Nifty 50 trends with 87.5% accuracy.
- Integrated Gemini AI chatbot, cutting query response time by 70% for 50 simulated users.

Email Spam Detection System **Link**　　　　　　　　*Feb 2025 – Mar 2025*

- Built NLP-based classifier (Naive Bayes, TF-IDF) with 98.2% accuracy on 10k emails.
- Deployed as Streamlit app, improving inbox management efficiency.

Personalized Content Recommendation System **Link**　　　*Mar 2025 – Jun 2025*

- Developed recommendation engine (collaborative filtering, Python) on 10k+ interactions.
- Deployed Flask web app, improving discovery by 25% and boosting engagement.

ORANGES – AI Desktop Assistant **Link**　　　　　　　*Jun 2025 – Jul 2025*

- Created AI assistant (OpenAI APIs, NLP) automating 7 daily tasks, boosting productivity.
- Enhanced accessibility with TTS & speech recognition, cutting manual input by 45%.

Certifications

- Python 101 for Data Science (IBM, Jun 2025)
- SQL and Relational Databases 101 (IBM, Dec 2025)
- ISO Certificate in IT (C, C++, Python) – Score: 91.67%
- Udemy: Data Science & Machine Learning
- Cloud Computing (NPTEL) – Score: 78%
- Introduction to IoT (NPTEL) – Score: 81%

Leadership & Extracurricular

Operations Team Member, LASUX-V University Club　　　　　*2021 – 2024*

- Led planning and execution of 15+ university events, enhancing student engagement and visibility.
- Coordinated cross-functional teams for workshops and tech events, impacting 100+ attendees annually.
